Proposal #: 482 **Ver.** 1.0

Proposal For:	Quality Project Management, LLC

Project Name:	Add-On's

Project Description

The cost of setting up Exact Forms Plus and DocuSign in your application is $500, the monthly hosting fee for the two add-ons is $75/mo.

We will need the following in order to complete the setup:

- invite qbtools@juicedtech.com into the application (with enough permission to added tables and fields to the app and to view field settings)
- Provide us with the DocuSign User ID and Password
- Send the Word Document that you would like us to set up using Exact Forms Plus o
  - Include the master table to be used to generate the document
- Complete the online DocuSign Setup Questionnaire: https://juicedtech.quickbase.com/db/bip58bma9?a=nwr

Monthly Total:	$75.00
Project Total:	$500.00
