Payment Terms:

This receipt and authorization is for MORBiZ to charge the initial and ongoing fees for my business presence campaign as itemized above. By providing payment to MORBiZ I confirm I am in agreement with the terms as stated below.

The campaign set-up fee is discounted from $1995 with a term of agreement of a minimum campaign of 90 days beginning at launch of campaign.

Early Cancellation: If you cancel this agreement prior to the first 90 days from the campaign launch date, there will be an additional $595 to help offset original setup cost. This amount will be charged to the credit/debit/ACH payment method as originally provided to MORBiZ on the campaign submission date unless arrangements for another payment method are given.

Cancellation Notice: After the initial 90 days this campaign can be canceled with no additional charges with 30 days' written notice prior to the cancellation date. Please send your cancellation notice to sales@morbiz.com.
