Changes effective for 2019

Form IT-2104 has been revised for tax year 2019. Additional allowances are allowed for covered employees of employers who elected to pay the employer compensation expense tax and for employees who made contributions to a New York Charitable Gifts Trust Fund during 2018. The worksheet on page 3 and the charts beginning on page 4, used to compute withholding allowances or to enter an additional dollar amount on line(s) 3, 4, or 5, have been revised. If you previously filed a Form IT-2104 and used the worksheet or charts, you should complete a new 2019 Form IT-2104 and give it to your employer.

Who should file this form

This certificate, Form IT-2104, is completed by an employee and given to the employer to instruct the employer how much New York State (and New York City and Yonkers) tax to withhold from the employee's pay. The more allowances claimed, the lower the amount of tax withheld.

If you do not file Form IT-2104, your employer may use the same number of allowances you claimed on federal Form W-4. Due to differences in tax law, this may result in the wrong amount of tax withheld for New York State, New York City, and Yonkers. Complete Form IT-2104 each year and file it with your employer if the number of allowances you may claim

is different from federal Form W-4 or has changed. Common reasons for completing a new Form IT-2104 each year include the following:

- You started a new job.
- You are no longer a dependent.
- Your individual circumstances may have changed (for example, you were married or have an additional child).
- You moved into or out of NYC or Yonkers.
- You itemize your deductions on your personal income tax return.
- You claim allowances for New York State credits.
- You owed tax or received a large refund when you filed your personal income tax return for the past year.
- Your wages have increased and you expect to earn \$107,650 or more during the tax year.
- The total income of you and your spouse has increased to \$107,650 or more for the tax year.
- You have significantly more or less income from other sources or from another job.
- You no longer qualify for exemption from withholding.
